Reminders and Questions

Calendar-Based Dates Flowchart

Subject #: CC012CD-00XXX

Original Calendar Base Date: 6/30/2025

Requested change to Calendar Base Date: 7/30/2025

“Discontinuation of Medication”

Most common reason for withdrawal:

“I’ve stopped taking the medication.”

Action for sites:

Emphasize at consent that they stay on study even if they stop for any reason

Personnel Changes

Many sites have recently had changes to study personnel

- Please notify us at symon@miami.edu when someone leaves so we can update our records
 - Most critical if they receive IVR reports
 - If consented, they may need to be withdrawn from study, too
